## INSTRUCTIONS

Plate:

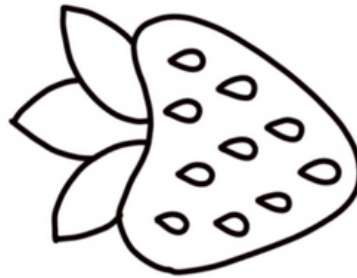

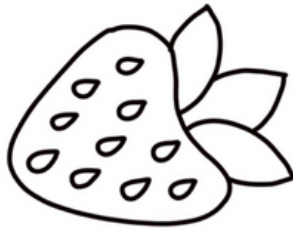

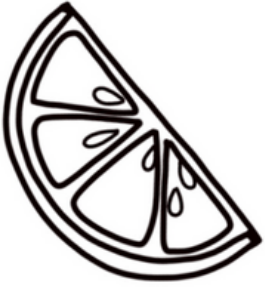

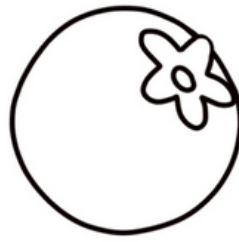

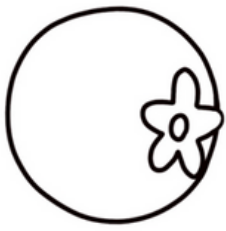

- 1 Put several tablespoons of Orange Juice into your small mixing cup and apply a pinch or two of silkscreen medium. Stir up and let sit for 5 minutes. Stir again. You're looking for the consistency of pudding, if it's too thick, add more Orange Juice paint and stir until you're getting the pudding consistency.
2. Use either your screen squeegee or finger apply the gingham to the background of the plate. Allow to dry.
3. Either use the NCR pattern and a pen to apply the orange slices or you can freehand them making half circles.
4. Apply 3 coats of Orange Juice to the lemons.
5. Use your detail brush to apply 2-3 coats of Pumpkin Pie for the edge and the lines.
6. Use the stick end of the sponge dotter and dip it into Pumpkin Pie, then tap the handle down on the plate to apply the dots.

## TIPS

- Use light pressure with your detail brush to get skinnier lines.
- Be generous with the paint to get the most even color.
